

READING SHOULDER FELLOWSHIP

ROYAL BERKSHIRE NHS FOUNDATION TRUST
READING SHOULDER UNIT
SENIOR CLINICAL & RESEARCH FELLOW
IN SHOULDER AND ELBOW SURGERY

to start July 2009

Applications are invited from outstanding surgical candidates with FRCS (Orth) or equivalent for the post of Senior Clinical and Research Fellow in Shoulder and Elbow Surgery based at the Reading Shoulder Unit, Royal Berkshire Hospital, Reading. This post is suitable for Surgeons who have completed their Specialist Registrar training and are seeking experience in Shoulder and Elbow Surgery prior to obtaining a Consultant appointment. The post is available from July 2009 for 12 months.

Hours of duty are a standard working week of 40 hours and in addition alternate Wednesday nights on the Specialist Registrar 24 hour partial shift rota.

This appointment is subject to the Terms and Conditions of Service of Hospital Medical and Dental Staff (England & Wales) and therefore remuneration will be made on the Specialist Registrar salary scale with the pay banding of 1C (20%) on top of your basic salary.

This Fellowship is recognised for training by the Royal College of Surgeons of England.

As part of the shortlisting process applicants may be expected to complete a brief test paper within time constraints, details of which will be provided at a later stage.

Informal enquiries will be welcomed by Professor Ofer Levy, Consultant Orthopaedic Surgeon,
Tel : 0118 322 5111 ext 7427 or 0118 3228427

Full details; an application form and job description can be found online at www.jobs.nhs.uk

Closing date: 5 February 2009
